**Resolution T-17010. Revocation of Six Certificates of Public
Convenience and Necessity for Failure to Comply with a Commission
Decision.**

Summary

This Resolution revokes six competitive carrier authorities held by the companies listed in the Discussion Section for failure to comply with Decision 93-05-010, Ordering Paragraph 4.

Background

Decision 93-05-010 Ordering Paragraph 4 states that the Commission will consider the revocation of competitive carriers that are more than 90 days late in filing annual reports and remitting surcharges.

Telecom Division's (TD) records indicate that the carriers listed below are delinquent in filing User Fee remittances and reports. The following steps were taken to contact the carriers and inform them of their delinquencies:

1. TD staff attempted to contact these companies, but we were unable to do so using the mail and e-mail addresses and phone numbers in our records. It appears that the companies are no longer operating.
2. Notice of company names was placed in the Commission Calendar for 30 days. Interested parties were invited to contact TD staff with questions or comments on these carriers.
